

Student Consent form

★ Thank you for entering this exciting competition! Please read the Student Guide before completing this consent form, so that you understand what the competition involves.

Videos from the ten shortlisted teams may be used by the partners running the competition: Oxford University's Department of Physics, Merton College, and Physics Partners. This use may include, but is not limited to, sharing on College, University and Physics Partners websites and social media channels, publishing on YouTube, re-editing of material to appropriate formats, and creation of classroom resources around the videos.

Young person's details:

First name:

Surname:

School/college name:

Please tick the following statements:

I agree to taking part in the stated activity.

I agree to the submitted video being shared by Merton College, The University of Oxford and Physics Partners for marketing purposes.

I give permission for my personal data to be shared by my teacher with Merton College if I am shortlisted/my team is shortlisted. This is to enable Merton College to deliver the prize event.

I agree to Physics Partners and Department of Physics, University of Oxford keeping a record of this form solely for the purpose of the competition.
