# The Tonbridge Science Technician Convention

in partnership with **Physics Partners**

*Where?* · Barton Science Centre, Tonbridge School, Tonbridge, TN10 3AD

*When?* · Friday 28th March 2025 · 9.00am to 4.15pm

*Why?* · A free event designed and organised by technicians, for technicians. There will be opportunities to share good practice, network, have discussions, and raise the profile of science technicians, as well as participating in hands-on workshops.

*“Tonbridge School connecting science technicians”*

## *What's on...*

- Nineteen workshops to choose from.
- Confirmed exhibitor stalls to explore: Physics Partners, Royal Society of Chemistry, Royal Microscopical Society, Blades, Brecklands, Cambridge Glassblowing, Clifton Nickle – Electro, Data Harvest, Instruments Direct, IPC Irwin, LaBLiFe, Samples for Schools, SLS Select, Timstar, Phillip Harris, VITTA.
- Refreshments and a hot lunch will be provided.
- Prizes generously donated by: *Blades, Breckland, Data Harvest, Samples for Schools.*

*Keynote address:*  
Dr Scott Cross
